Hon. Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

LETTER

Applicants filed a continuation to the above-referenced application on June 6, 2006 electronically via the USPTO electronic filing system.

The USPTO electronic filing system indicates that Applicants filed two continuations on that date with filing fees of \$1,350.00 and \$1,750.00 respectively. For your reference, copies of the two Application Fee Transmittal forms are enclosed.

Applicants respectfully request the Office to remove the Fee Transmittal form indicating a fee in the amount of \$1,350.00 from the electronic filing system.

I certify that this document and its enclosures are being filed electronically via the USPTO EFS with the Hon. Commissioner for Patents, United States Patent & Trademark Office, Alexandria, Virginia on:

10-7-06
Date of Deposit

By:

Nancy S. Dedek

For your reference, also enclosed are the two Electronic Acknowledgement Receipts.

Applicants respectfully request that the Electronic Acknowledgement Receipt, EFS ID No.: 1068863, (indicating that the payment of \$1,350.00 was not submitted) be removed from the electronic filing system to avoid any confusion.

The Electronic Acknowledgement Receipt, EFS ID No.: 1068895, indicates the filing fee of \$1,750.00 was successfully received and was correctly charged to Applicant's Deposit Account No. 12-2275.

Applicants also note that the Continued Prosecution Application, CPA Transmittal Letter, Preliminary Amendment, information disclosure statements, and declaration were submitted with each continuation. Since only one continuation was submitted by Applicants on June 6, 2006, Applicants request that the duplicate .pdf attachments also be removed from the electronic filing system.

If the Patent Office requires further clarification of this issue, a telephone call to the undersigned is suggested.

Any required fees or any deficiency or overpayment in fees should be charged or credited to Deposit Account No. 12-2275.

Respectfully submitted,
THE LUBRIZOL CORPORATION
